

# HEALTH PERFORMANCE & RECOVERY

RED LIGHT RISING

*Red Light Rising was founded in 2017 when **James Strong** and **Bryan Gohl** first experienced the powerful benefits of red light therapy and knew it needed to be shared with those that value health over everything.*

*Red Light Rising brings superior red light therapy devices to professionals in all areas of health and wellness sector.*

Get in touch with us: [info@redlightrising.co.uk](mailto:info@redlightrising.co.uk) - [www.redlightrising.co.uk](http://www.redlightrising.co.uk)

*The benefits of red light therapy are far reaching and include supporting the immune system, enhanced sports performance and recovery, reduction in joint pain, improved sleep, increase in natural anti inflammatories, improved collagen production and skin health, hormone optimisation, increased cellular energy and MUCH MORE!*

# ZERO TOUCH THERAPY

# 8 - 16 MINUTES

*Red light therapy is a non invasive, 100% safe, **zero touch therapy**. With the Advantage Series from **Red Light Rising**, treatment times are very efficient from **8 - 16 minutes** only, depending on product choice.*

*Red light therapy adds tremendous value for businesses by offering a scientifically proven therapy which can be offered as a supplement onto almost any other existing therapy or treatment.*

To find out how Red Light Rising can help you add more value and profit to your business, please contact Bryan on
